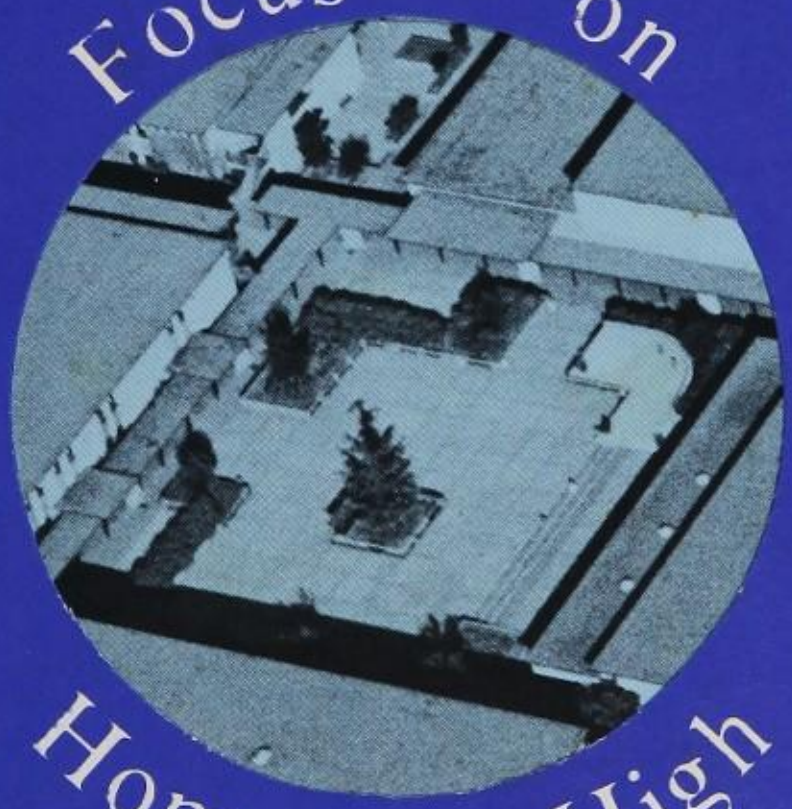
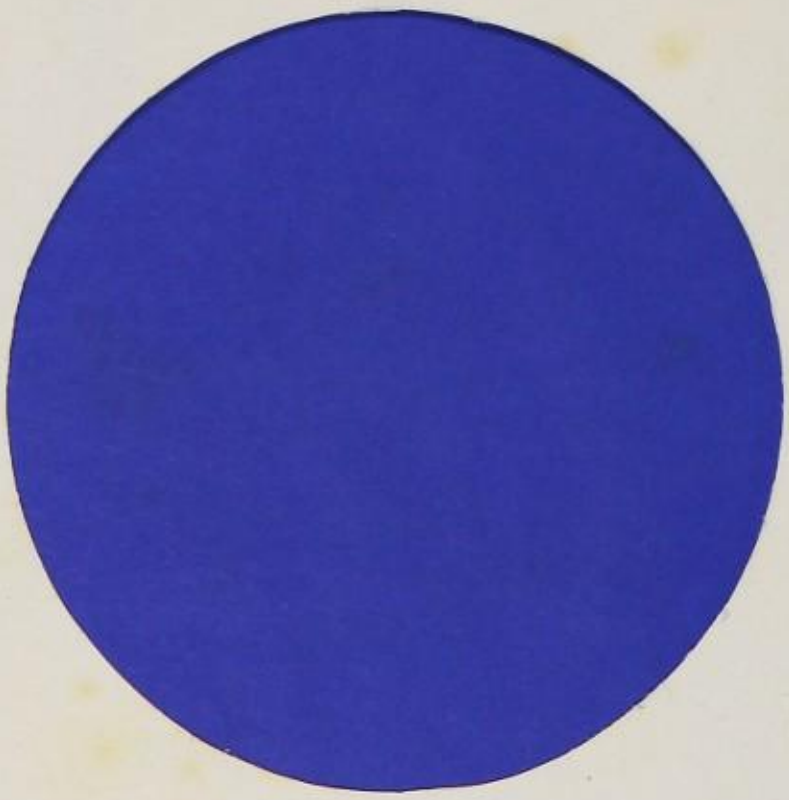
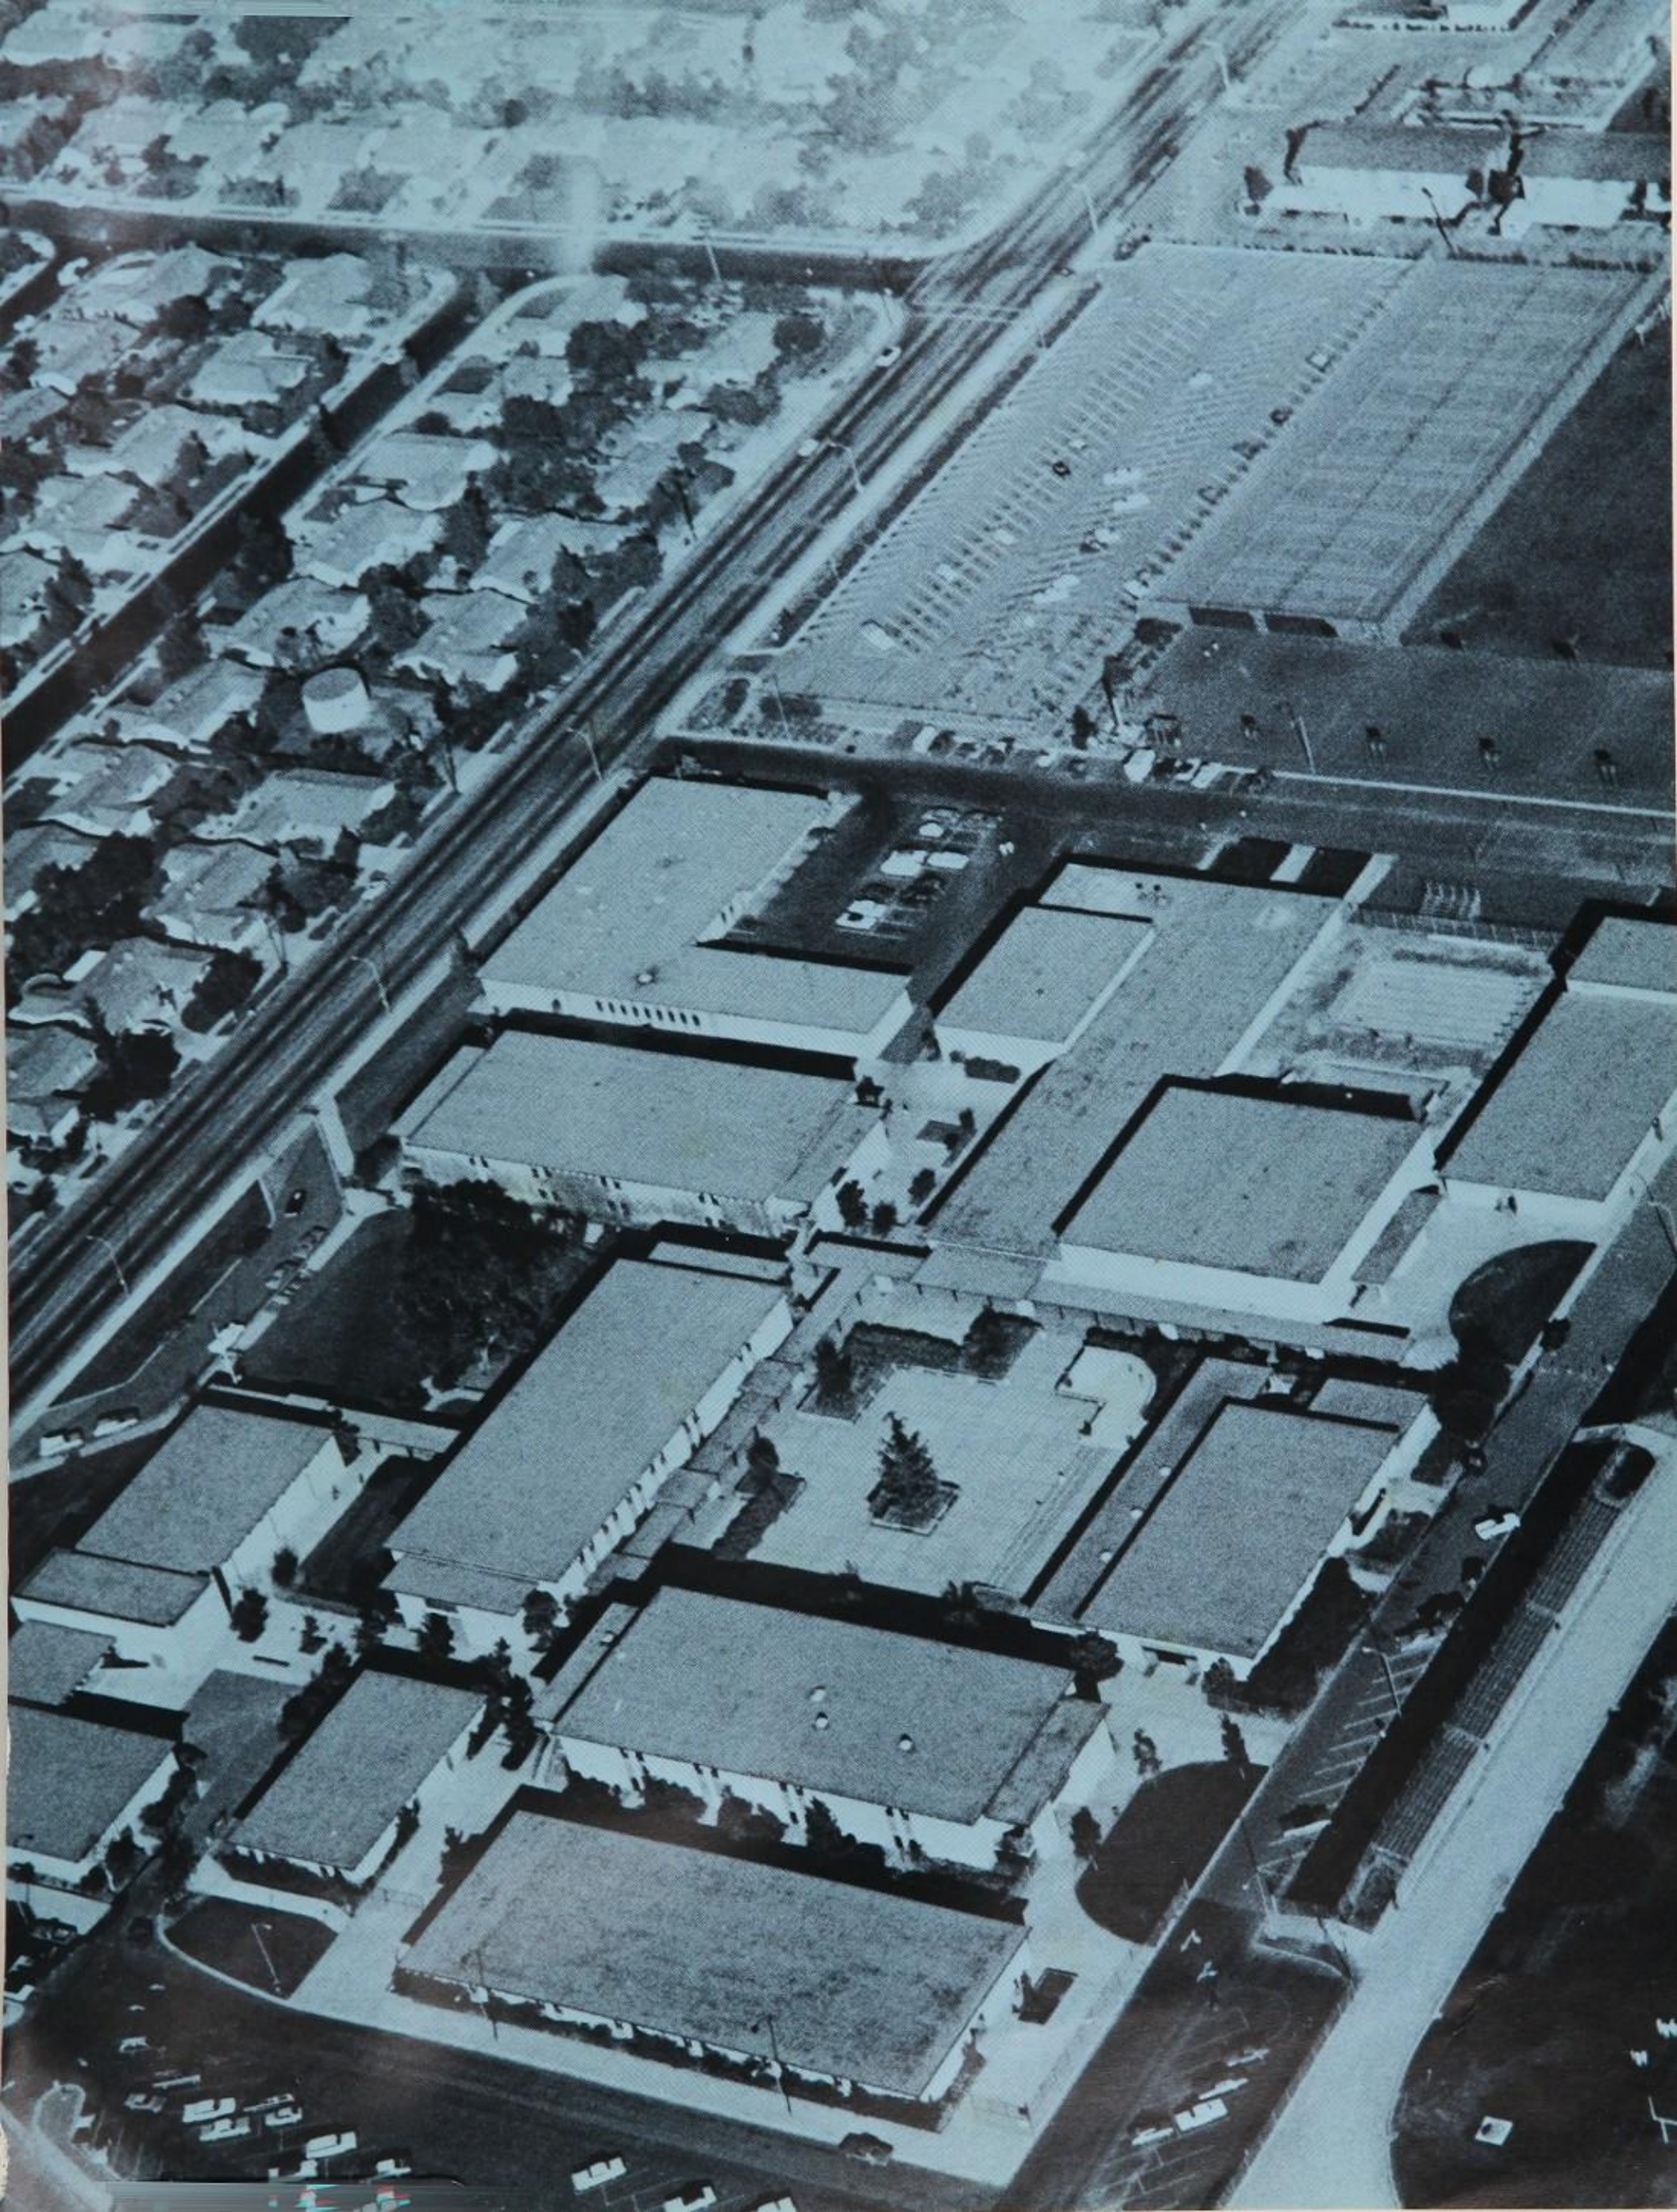
1972

PEGASUS

Focus on Homestead High







Focus on a school within;

. . . its people;

. . . their hopes,
dreams,
and aspirations.

Focus on
an attitude,
an emotion;

. . . life and living;

. . . a desire to learn;

sharing with one another.

Focus on the potentials of 1972.

Mr. Figgins
A special thanks and remembrance to the most diligent advisor any class could ever have.

I find myself here
alone
and among the signs of the past
and of the present:
The moment, the colors, the rushing,
the crowds,
the sudden sight of golden air and
wind
on too-green grass and leaves.
I think, or begin to think;
feel, or try to feel;
love, lose, dream, cry,
then sleep
and begin again tommorrow . . .

District Administration

This yearbook will become more valuable as the years pass. In a sense, it is a personal diary of some of the most important years in your life. As your values change and your perceptions grow, you will be surprised that some students who are not big on the campus now will become the leaders of tomorrow. Conversely, you will wonder what ever became of some of the campus heroes and heroines of today. Perhaps the lesson is that those who continue to grow, building upon the foundation of a good high school education, will find success.

Good luck to you in your continued growth.

Homestead Administration

Warren Bryld
Principal

Since its inception ten years ago Homestead High School has exhibited a spirit and an excellence that marks it as an outstanding high school. Each class that has entered has contributed its share to this legacy of distinctive achievement. The members of the Class of 1972 have willingly contributed their time, talents, energy, and enthusiasm to our total program—curricular and co-curricular, extending the heritage that is Homestead's. We shall long remember them for their contributions.

Our seniors told us that "spirit comes from within," and indeed, it does. Our seniors proved it in deeds as they engaged in an unprecedented "spirit day." As a class they have authenticated our school motto, ACTA NON VERBA.

Our congratulations and best wishes for future success to each member of the Class of 1972. We hope the spirit you have shown infects all of us.

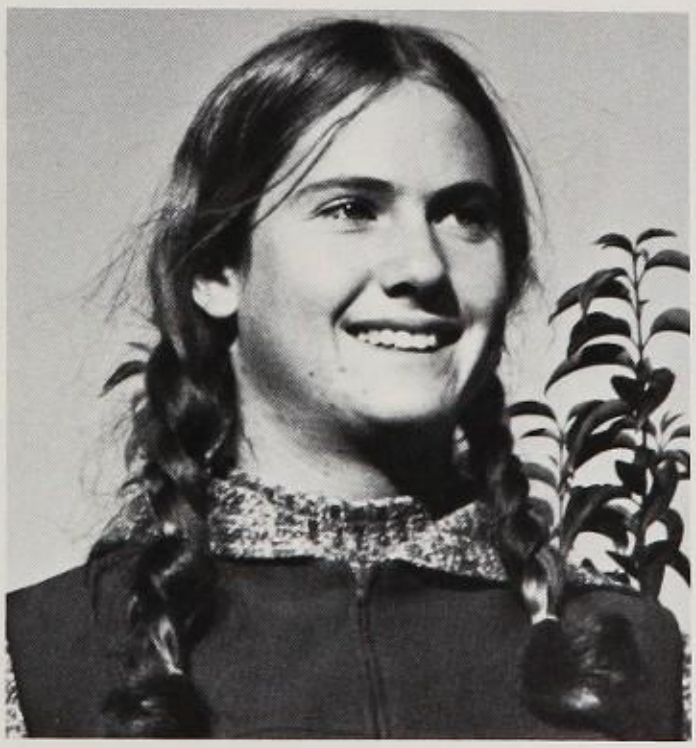
Homestead's Contribution to World Understanding—Summer 1971

PENNY WILLIAMS VISITED CONCEPCION, CHILE. Living in Chile was a totally strange experience. Schools aren't coed, pedestrians don't have the right of way, and parties sometimes include breakfast. Throughout the two months, I learned to deal with many unfamiliar situations.

DOROTHY ALLEN VISITED SWEDEN. Living in Sweden this past summer was a great learning experience for me. Sweden is a very beautiful and peaceful country, and is truly the land of the "midnight sun." I am greatful to Homestead High for giving me the opportunity to go, and the Y.F.U. for finding me a very nice host family. Tack sa mycket.

SUSAN THOMAS VISITED THE HAGUE (DEN HAAG), HOLLAND. My summer gave me the chance to travel and experience a new way of life. Communicating and living with a family, I enjoyed learning through them.



MARY KAY McCOY VISITED SWITZERLAND (SCHWEIZ). Living another way of life really made me learn something about myself. I had many good experiences but there were also those that weren't so good. The people were so simple and life wasn't the big rush it is here. The food was great! I traveled all through Switzerland and hit Germany, France, and Italy. I can't wait to go back. Maybe in three years.

Not pictured is Eileen Hendren who visited Germany.

DEBBIE BALDWIN VISITED ANTONY, FRANCE. I had a wonderful summer in Antony, France (near Paris). I was able to meet new people, learn their customs, and learn their way of life. It is a great chance to travel and see other countries.

Varsity Water Polo

Though the Mustang poloists had a very tough season, it was rewarding. Coach Anderson's poloists compiled an 8-3 record to give them third in the SCVAL and a berth in the N.C.I. in which they placed fifth.

Seniors Jim Emmick and Rich Faber were elected to the First Team All-League. The MVP Jim Emmick tallied 60 goals in 17 contests to receive Water Polo Player of the Year Award from the Cupertino Lions Club. Senior Bob Bierley received Honorable Mention in the league. The Scholar Athlete Pete Courture along with Senior Jim Rowland added strength to the team. Rounding-out the team were Juniors Dave Burnett, Tim McCoy, Andy Moore, Brent Paine, Randy Reese, and Dan Zaiss and Sophomore Larry Stansfield. Fortunately 90 per cent of this year's team will be returning.

The Varsity Football team finished the 1971 record with an overall record of 7 wins — 2 losses. Coach Mort Vanden Berghe's team suffered its two losses during the league contests.

Awarded positions on the First Team All-League were defensive back Mike Angius, defensive lineman Dave Hammond, center Tom Patrick, quarterback Dave Ralstin, and tackle Jon Ullrich. Cited for Honorable Mention in the American Division were John Ehmann, Don Penrose, and Jim Richards.

Junior Rodney Bragato tallied 10 touchdowns and a two point conversion for the highest total scoring in the American Division. With the average production of 332.1 yards per outing, Homestead's offensive unit received top offensive honors.

Tom Patrick was named to the Mid-Peninsula football all-star team, honored as the American Division's most valuable defensive lineman, and was cited by the Cupertino Lions Club as the best lineman.

Varsity Wrestling

This year's wrestling season began where the last two seasons left off, continuing a dual meet winning streak to 27 matches. Homestead was blessed with a core of experienced wrestlers interlaced with a balance of last year's junior varsity team and the last freshmen team to have attended Homestead. Led by seniors Eric Baker, Rick Browning, John Ehmann, Logan Kittle, Don Penrose, Stan Pollak, and Jon Ullrich, Homestead won two tournaments in convincing fashion, the Gonzales Invitational and the Dublin Dual Meet Tournament.

In league matches this year, Homestead had not been beaten and intended to make it three varsity SCVAL championships in a row. Because of the strength of this year's experienced wrestlers, the team stood to improve upon its high finish last year in the Central Coast Section, and the Northern California Invitational Tournament.

Traditionally Homestead's Junior Varsity wrestling teams have been strong but never quite strong enough to capture the SCVAL crown. This year's JV team appeared ready to make a strong bid for the championship with a balance of seasoned juniors such as Paul Giannoccaro and Larry Pieper and up and coming sophomores and freshmen such as Dave Connors, Bruce Steakley, Reid Adams and Mike Gebers.

Coming off of an undefeated dual meet season, the team seemed destined to make its strongest bid for the title in years, which is determined by a combination of points earned both in the dual meet season and in the league tournament at the end of the season. Adams, Gebers, Giannoccaro, and Pieper all went into that tourney with unblemished junior varsity records.

Varsity Basketball

The Varsity Basketball team started the season in great style by winning eight of the first nine games and by placing third in the Buchser Tournament. League play began with a two point victory over Los Altos but very little was achieved after this time. The team finished in ninth place with five wins and seven losses.

The team played an exciting style of basketball and the league record could be somewhat justified since two games were lost in overtime and only three teams beat the Mustangs by more than six points. Injuries were significant factors in the overall performance of the team. Doug Clarey was chosen to the Buchser All-Tourney team, First Team All-league, and All Mid-peninsula team.

Frosh Basketball

Sixteen boys were chosen for the squad and all sixteen finished the season, an excellent demonstration of perseverance, dedication, and loyalty.

The high light of the season was the near impossible win against Lynbrook. Rick Garland, our most valuable player, sank two free throws at the buzzer to send the game into over-time. Steve Berglund hit a 15 foot jumper at the end for a 46-45 win.

Scott Strotman, our play-maker, was selected by his teammates as the season captain.

Homestead basketball has a bright future.

Junior Varsity Basketball

The Homestead Junior Varsity Basketball team compiled a respectable record during the season. Guided by Coach Alves, they established an overall record of 9 wins and 9 losses.

Although the J.V. team did not boast one outstanding performer, they received strong performances from several key players. Guard Phil Castaneda was a consistent performer all season as well as junior forward Fred Gribi. The team received added support from Jerry McCann, Scott Mitchell, Tom Munson, and Kim Redington.

A slow start at the beginning of the season plagued the team but they made tremendous progress as evidenced by its close games with the league leaders. Adding to the advancement of the league winning record was the improved playing of sophomores Jim Adams and John Ohran.

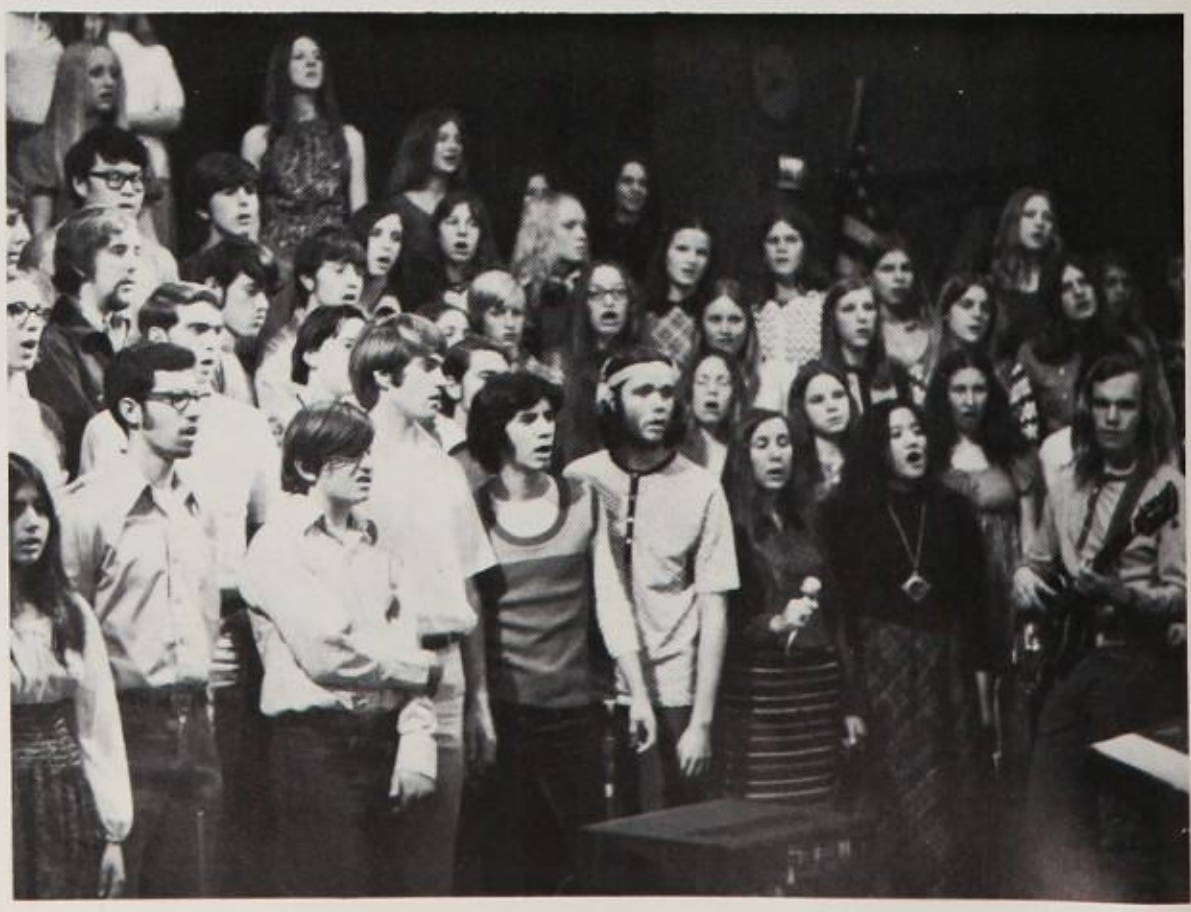
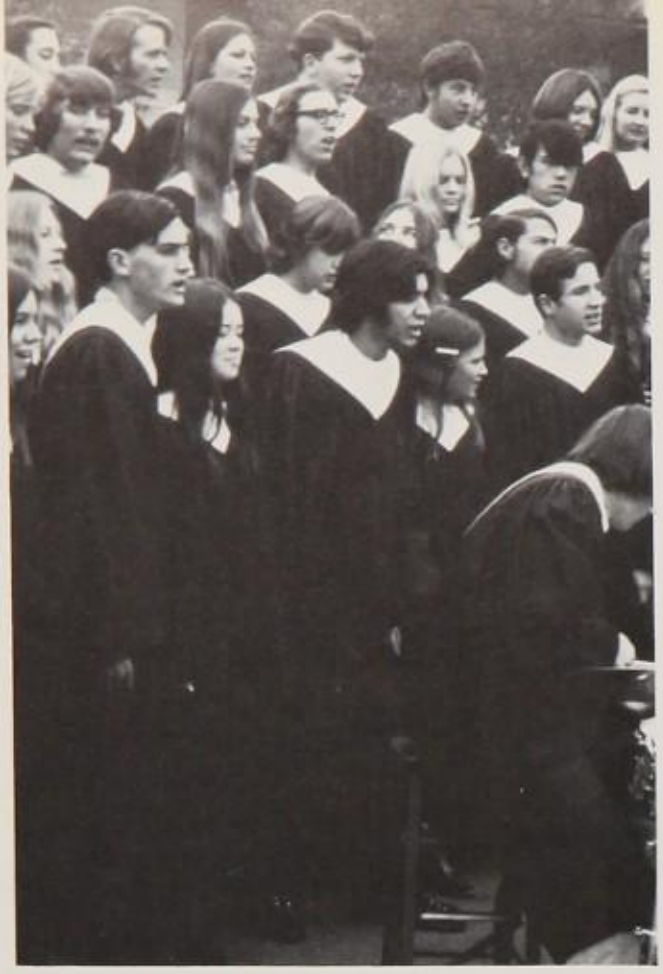
Pops Concert





"Energetic" was the key word for the choirs this year. Led by Mr. John Pleasant, the choirs produced a number of shows; both for the Student Body and for the community. During Christmas the Chamber Singers sang carols in San Francisco at Ghirardelli Square and also presented a Christmas program at Homestead.

The Pops Concert featured four songs from the Rock-musical, "Jesus Christ Superstar."

The Concert Choir traveled to San Carlos High and Berkeley High to give performances and returned to present the Annual Spring Concert.

Paul Klinkhamer—The Netherlands
When I came over to the U.S.A., I had a lot of ideas and expectations about what life here was going to be like. Since then I have learned a great deal. I found many things about this country, and very many things of those are good things.

I personally have enjoyed my stay here very much. I have made more friends among students and teachers here in one year than in five years in The Netherlands. Homestead therefore has played an important part in my stay here and I don't regret that at all. I would like to thank everybody I knew here for a wonderful experience. The "Wild West" might not be that wild anymore, but it is still a very nice place!

Ola Svensson—Sweden:
Living in Sunnyvale and attending Homestead High School has been a great experience for me. The first thing I noticed when I came, was that everything is so large; the roads and cars and even the school. Coming to a school that is three times larger than my old school was quite a change. But I realized many good things; the right for the students to choose their own classes and teachers, the friendship between the teachers and the students, plus all the after-school activities that help to make a regular school day more fun.

Everybody has been very nice and helpful. When I go back I know that I will miss you and all the flavors of ice-cream you have. See you in Sweden!

Dominique Friscourt—France
The U.S. is for me a very attractive country and I enjoy this new way of life very much. I like it here mostly because of its people who are much more friendly and open than in

Kurt Keller—Switzerland
It was a great experience to be an exchange student here at Homestead. Homestead is five times bigger than the school I was in, in Switzerland. There is a huge number of different subjects you can take here. Sports activities at school was new for me. If you want to go out for any sport in Switzerland, you have to go to a local club.

I was amazed when I first came here by those freeways and cars. There is no end to them. People here live with much more comfort. Two cars and a color T.V. seem to be nothing special. In my family we didn't have a car until last year and we have no T.V. But I don't think the people are happier with all their comfort. I hate the smog the cars produce.

The climate here is fantastic. I will miss the sunny summers when I go back home.

Paris. I don't know actually if I like the unceasing rush in everything, and what I hate, is the pushed commercialism.

Homestead High School has pretty nice buildings. It does not look like the kind of very closed and prison-like high school I was used to in Paris. The teachers seem to me very friendly. As for the students, they are certainly great if you get the chance to know them.

Swimming and Diving

The 1972 Swim Team had a very productive season with a strong junior team consisting of outstanding swimmers such as Dave Burnett, Brent Paine and Dan Zaiss. They backed up seniors Bob Bierley, Pete Couture, Jim Emmick and Mike Johnson. Sophomores Jim Johnson and Larry Stansfield added depth to the team.

Defending 1971 S.C.V.A.L. league champions looked like a possible contender for league champs if the pitching developed. The overall team development was slow as most of the team are sophomores and needed more game experience. Coach Vanden Berghe guided the team through some exciting victories.

This year's Freshman team was very strong in pitching and defense. Our two regular pitchers were Jeff Thomas and Dan McCoy. Cary Riberdy and Steve Berglund provided good relief pitching. The highlight of early season play was a one-hit 7 to 1 victory over Lynbrook. This year's Freshman team will continue in the fine tradition of Homestead baseball teams.

Homestead's Varsity Baseball team flashed championship form this year. The pitching staff headed by Sandy Withol, Steve Smith, Doug Clarey, and Dave Ralstin did a great job holding the opposition. Really assisting the pitcher in fine defensive plays were third baseman Mike Morrison, second baseman Harvey Martell and outfielder Tony Marinaro. Pete Newton did the catching and helped folster the defense. Dave Ralstin, Tom Patrick, Kevin Barbieri and Doug Clarey supplied offensive punch. Others who did a great job of adding to the fine season were Scott Robidart, John Ehmann, Glenn Hollands, Fred Gribi, Paul Giannoccaro and Bill Plunkett.
